Dayton Right to Life Society

is the founding organization and 501(c)(4) responsible for any legislative activity.

Our MISSION
Protecting Life through Law, Education, and Community Action.

Our VISION
The Greater Dayton area and surrounding communities are abortion free. A culture of life prevails in Montgomery County; pro-life beliefs and behaviors are advocated and the whole community aspires to value the human right to life from conception to natural death.
Mother’s Day Flower Sale
Our annual event that provides an opportunity for families to thank the mothers in their church communities.

40 Days for Life (Spring & Fall)
The world’s largest and longest coordinated pro-life mobilization in history.

Legislative Activity/Lobbying
We work to develop, support, and pass pro-life legislation at all governmental levels. We meet regularly with our federal, state, and local elected officials on pro-life issues. We advocate for the “voiceless” in our local communities at city council and area county meetings, and educate the community on pro-life issues.

Election Endorsement/Voter Education
We provide local and state-wide pro-life endorsement for candidates, as well as voter education materials on pro-life issues.
